DATA MANAGEMENT, ANALYSIS, AND SHARING

- Expandable with DOCKER tools
- Create custom workflows and applications
- Upload, share and manage data
- Share and exchange custom workflows
- Scheduling via CONDOR
- Powered by iRODS data management
- Scalable analysis with simple to use interface
- Data accessible with any iRODS interface
- Ability to add and track custom metadata

CURRENT ODUM DEMONSTRATIONS

- R Statistical Analysis
- Library of Congress BagIt Packager

LET'S START A NEW PILOT!

- Share technology
- Combine tools
- Exchange knowledge
- Expand to new disciplines
- Promote research transparency
- Promote quality research data management
- Promote auditing and assessment of data repositories

THANKS!
